**ORDER**  
**01.05.2021**

%

During the hearing, Dr. S. Bankata, Executive Director from Batra Hospital informs us that there was a delay in supply of Oxygen due to which, Oxygen supply was interrupted for about an hour and a half, which has led to loss of 8 lives, including a doctor of the said hospital.

Mr. Mehra has just now informed us at 03:05 P.M. that he has received an SOS message from Mr. Bidhuri, who is the officer tasked with the job of ensuring supply to hospitals in Delhi, that the reserves of the GNCTD are exhausted, and there is no supply/ minimal supply from the plants of Linde and Air Liquide today. He has expressed serious concerns as to how the Capital would tide over the shortage today, as a lot of hospitals

and nursing homes have run out of medical Oxygen, or would do so in the coming few hours.

We direct the Central Government to ensure that NCT of Delhi receives its allocated supply of 490 MT positively today, by whatever means. Considering the fact that Delhi is not an industrial State, and does not have availability of cryogenic tankers of its own which could be requisitioned under the Disaster Management Act – like other States have done, it falls upon the Central Government to arrange the tankers as well, so that the allocation made to Delhi could be fulfilled, lest it remains only a paper allocation. The Central Government shall ensure availability of cryogenic tankers as well for the said supply.

Pertinently, the allocation to Delhi, which was earlier of 480 MT (since 20.04.2021), and now is of 490 MT has not been fulfilled even for a single day. In case, this order is not implemented, the concerned officers of the Central Government viz. Mr. Piyush Goyal and Ms. Sunita Dawra shall remain present during the hearing on 03.05.2021. Looking to the situation, we make it clear that we may even consider initiating Contempt Proceedings in case of non-compliance. Mr. Amit Mahajan shall ensure communication of this Order to the concerned officers forthwith.
